EPHRAIM 9 ?. His parents are not known, but the line is assumed on the basis of two family statements, both of which lead to the same conclusion.
 1. Frederick A. # 7267 is known to have married his second cousin who was Alma S. # 7336. Tracing their lines back, Josiah 7 (# 1315) becomes the first common ancestor.
 2. Harley, a grandson of Ephraim 4955 states that he remembers hearing Ephraim say that his(Ephraim's) grandfather was Josiah. Harley does not remember the names of Ephraim's parents. Therefore, we have:from family records and VR:
